Acknowledgement of the Offender

INITIAL BELOW		ACKNOWLEDGEMENT OF THE OFFENDER
	1.	I have been convicted or adjudicated of a crime that requires registration under the Kansas Offender Registration Act, K.S.A. 22-4901 et seq., hereafter referred to as "the Act", and must honor all duties specified by the Act.
	2.	At the time of conviction or adjudication, the court will complete a notice of duty to register if I am released prior to sentencing. Within three (3) business days, I will report to the registering law enforcement agency in the county or tribal land of conviction or adjudication and to the registering law enforcement agency in any place where I reside, maintain employment or attend school, to complete the registration form. <i>See K.S.A. 22-4904 (a)(1)</i>
	3.	If in the custody of a correctional facility, I will register with the correctional facility within three business days of initial custody and shall not be required to update such registration until discharged, paroled, furloughed or released on work or school release from a correctional facility. <i>See K.S.A. 22-4905 (d)</i>
	4.	Within three (3) days of coming into any county or location of jurisdiction where I reside or intend to reside, maintain employment or intend to maintain employment, attend school or intend to attend school, I must register with each registering law enforcement agency in the county or location of jurisdiction. Each time I register, I must be photographed, pay a registration fee of \$20, and complete the registration form with all information and updated information required for registration as provided in K.S.A. 22-4907. In addition to the Kansas Offender Registration Act, sex offenders who reside, work or attend school on tribal land shall register pursuant to tribal law. Tribes in the state of Kansas that require registration include the Prairie Band Potawatomi Nation, Iowa Tribe of Kansas and Nebraska and the Kickapoo Tribe in Kansas. Sac and Fox Nation has delegated the registration responsibility to the state of Kansas through the local sheriff's offices, therefore compliance with the Kansas law is sufficient. <i>See K.S.A. 22-4905</i>
	18.	I understand that if I receive an expungement for the crime that required registration, my registration obligation does not terminate. <i>See K.S.A. 22-4909 (e)</i>
		I hereby sign this statement to attest and agree that the information contained in my registration form has been provided by me and is true and correct. If I have misrepresented myself, falsified any information, left out critical and truthful information required of me, or interfered with official duties of the law enforcement agency who registered me, I will be held accountable for criminal charges against me and will be punished for the offense(s). I have read the application and I have initialed the relevant areas to indicate I understand them. I verify that I have read the above rules and requirements regarding my registration as an offender, and the requirements have been explained to me, and I completely understand them and the consequence(s) for failure to comply. Further, I have been given the opportunity to have any questions answered today reference my requirements.

FAQ'S

Are there any restrictions on who an offender can be around (victims, minors)? Or where an offender can or cannot be (schools, parks, etc.)?

No. Kansas does not have any laws dictating who an offender can or cannot be around or where they can or cannot be. However, there could be restrictions if they are on any type of supervision.

FAQ'S

How come someone isn't listed on the public website?

Some juvenile offenders have restricted records. Offenders who have moved out of state, are deported or deceased; those who have satisfied their registration period, had their conviction expunged, or whose offense occurred before open record date listed on crime chart will not be on the public website.

FAQ'S

Why is someone showing as non-compliant on the public website?

If someone fails to register in the months required to register (the month of their birth and every 3rd month thereafter), they will show as non-compliant.

FAQ'S

How can I find out where someone is working?

Employment is not listed on the public website. You may contact the registering agency for that information.

FAQ'S

Someone is a sex offender but has a facebook account. Is that allowed?

No. You can report that account to facebook at <https://www.facebook.com/help/contact/207005222725325>.

FAQ'S

How can an offender be relieved of their duty to register?

There is no relief from the registry per KSA 22-4908.

thank you!
